KATELENE PALOMA

COMPUTER ENGINEER

KEEN EYE TO DETAILS | PASSIONATE | EAGER TO LEARN

SUMMARY

Recent computer engineering graduate with a diverse skill set including HTML, CSS, JavaScript, PHP, Java, XML, and Dart/Flutter. Proven hands-on project experience turning concepts into practical solutions. Skilled in Figma for creating user-friendly interfaces. A proactive individual, I am committed to continuous growth, leveraging my passion for innovation to make meaningful contributions to the field. Seeking entry-level position to contribute and grow in a dynamic environment.
